

Thank you!

We are grateful to be one of the recipients for the funding from Parks Plain East ATA local. Thanks to the funding we were able to expand our flexible seating to accommodate the needs of our students. This included 4 rocker chairs, 4 laptop tables, and 3 floor cushions.

Thank you to Park Plains East Local 31 for their generous support and funding through their Special Projects Award in acquiring flexible seating options for our students! Our students have been using these seating options already and enjoy the flexibility in choosing where they complete their work!

Facebook Post giving acknowledgement to PPE #31.

THANK
YOU!

Thank you Park Plains East Local 31

for the generous support in acquiring

Flexible Seating Options for our students!

A copy of this thank you has been placed in a frame and is on the shelf behind our flexible seating.
